BREAKDOWN

CDS strive to be as affordable as possible for all of our families.

Dance terms are 9 to 10 weeks of classes

1 class per term over 10 weeks only costs you \$18.50 per hour. We take a percent off fees the more classes you do..

What do they get?

Each class trains our young dancers in movement in their chosen style under the guidance and safe practice of our highly experienced teachers. We take them through a warm up and stretch, a series of technical combinations and learn a routine in every class.

We build strength and agility and teach them team work and showmanship.

The skills they learn at CDS not only translate in their dance classes but beyond the classroom. Learning discipline, perseverance, camaraderie and dedication.

WHY DO WE HAVE A CONCERT?

Who doesn't love a performance? :) Every year our students are involved in an end of year dance concert, showcasing all their hard work and progress throughout the year. It truly is a dazzling display of artistic entertainment. This gives our students something exciting to work toward, a sense of accomplishment when its all done and a drive we cannot explain. Gaining independence and confidence in themselves and their dance group to perform in front of 400+ people. Plus...its just plain FUN!

YES! We involve our tiny dancers on the stage! We organise carers/minders backstage and will always have a support for them onstage, unless of course they don't need it! ;)
